Report of Principal and School Improvement Council

Since its 1921 inception, Leavelle McCampbell Middle School has been dedicated to providing a quality education for the children of our community. This dedication is evident in the many outstanding opportunities offered to our students. Leavelle McCampbell currently serves over 450 students in grades six, seven, and eight and has a diverse population representing various socio-economic, racial, cultural, and educational backgrounds. Our school offers a balanced program of academics, fine arts, community involvement, and athletics, which creates a unique learning environment designed to meet the needs of middle school students.

Leavelle McCampbell Middle School is committed to continuous improvement and working towards raising student academic achievement. Leavelle McCampbell has implemented the tenants of Making Middle Grades Work to focus on student academic achievement and promote high school readiness. The following focus teams have been established to hone in on increasing achievement: high expectations, use of data, and school culture. In addition, through professional learning communities teachers collaborate and complete book studies.

Our school uses a cooperative approach to improve the overall school environment through our Parent Teacher Organization, Business/Community Partnership, School Improvement Council, University of South Carolina-Aiken and mentors. These collaborative partnerships have allowed us to provide students and teachers with incentives. The continued partnership with the University of South Carolina-Aiken enabled us to purchase traveling trunks. These trunks contain valuable resources that are used to enhance student engagement and increase rigor in all content areas.

Leavelle McCampbell Middle School is proud to announce that we had nine students qualify as Junior Scholars through their PSAT scores and a 100% passing rate on the English I End-of-Course test for the 2010-2011 school year. Students participated in Advisor-Advisee, Academic Team, Art Club, Band, Beta Club, Book Club, Builder's Club, Chorus, Drama Club, Fellowship of Christian Athletes, Forensic Science Club, Girl Power, Junior Achievement, Math Counts, Music, Mock Trial, Recycling Club, Rock Stars (Show Choir), Step Team, Student Council and sports teams that focused on interests, talents, life skills, and community service. Also, in partnership with the Peters Group, a Ladies' Club and Gentlemen's Club were implemented to emphasize the importance of good character and high expectations. Fifty students were inducted. These factions of LMMS are here in order to give each student the opportunity to build character and grow as individuals. Our challenge continues to be finding ways to close the achievement gap. However, through continued research-based instruction, providing a positive school climate, and parental involvement we will ensure high school readiness for all students by providing quality educational experiences.
